

This is an activity that brings back a lot of memories. The challenge is both for the thinker and the doer. Who can create a car that will endure all the races? Who can design the toughest looking car?

All the cars will compete and be judged by 2 things:

- the fastest car and driver
- “pimp my ride”, we will select the nicest looking car

We prepare packages beforehand for each team consisting of: Materials, tools, wheels, spray paint, a driving suit and a helmet.

You have to design and build a stock car, then race each other.

Back to childhood

To start off with, the cars will compete one against another, until we get to the finale!

After the race there will be an award ceremony with champagne for the winner.

We have arranged this in parking lots, in parks, on beaches, out on the islands and in-stock.

More than 4800 guests have participated in these races, both in and outside of Norway.

Please contact us if you have any questions about our

Soap Box Derby:

We provide speakers, tents and music, along with an awards ceremony and champagne for the winning team.

Prize Show with film and photos, often in conjunction with dinner or as entertainment, can be ordered as well.

Exotic places

We know the pearls in the archipelago that sets the perfect atmosphere for your event.

After Action

Good food is important for a successful event. We can create for or with you, lovely food based on current ingredients. Special menu sent on request.
